Mr. Michael Weinholtz

Salt Lake City, Utah 84121

Mr. Weinholtz:

As Governor of the great State of Utah, I congratulate you for being recognized by Fortune Magazine as the 27th best company to work for in America, and Utah's only firm in the top 100 companies. We thank you for helping build a better economy in our state and for creating high paying jobs for Utah families.

Utah has a promising future. Recently Utah was named #1 for "Best State for Business and Careers" by Forbes Magazine and has been ranked highly by other national publications. Utah is #1 for "Expected Economic Recovery" and we have also been ranked #1 for "Best States to Live." These recognitions are largely due to companies like CHG Healthcare Services and the wonderful recognition you received from Fortune Magazine.

As your company and other great Utah firms invest in our residents, Utah will continue on its way to economic recovery and prosperity. My vision for the state is that Utah will lead the nation as the best performing economy and be recognized as a premier global business destination. Indeed, I can see this is already happening.

I offer my best wishes for your firm to continue to prosper, provide future jobs and enjoy a successful future.

Sincerely,

Gary R. Herbert
Governor
